

Maxwell Muhanda

Software Engineer

ajaybullec@gmail.com

About

I'm Maxwell Muhanda, a passionate and self-taught full-stack web developer based in Kenya. My passion for software lies with dreaming up ideas and making them come true. My goal is to deliver high-quality code and great user experiences in every project I undertake.

Outside of programming, I enjoy traveling, playing video games, and watching football. If you're looking for a skilled and dedicated software developer who can deliver exceptional results, let's connect.
